Gateway to Academy

Higher Education Program for Arab Bedouin Students

A four-year program providing comprehensive solutions that address the academic, financial and cultural issues facing Bedouin students. The high staff to student ratio and personalized attention are key factors to Gateway's success.

- **ACADEMICS**: Reinforced credited college courses, mentors and intensive academic assistance.
- **LANGUAGE**: Extra hours and reinforcement of Hebrew and English language skills.
- **EMPOWERMENT & CIVIL SOCIETY**: Soft skills workshops, seminars, community engagement volunteer opportunities, retreats and site visits , identity and civil society.
- **FINANCES**: Generous scholarships, living and travel stipends, emergency aid for students experiencing financial crises.
- **CAREER PLANNING**: Students participate in Sapir's new Career Center's Economic Empowerment and Career Planning programs and activities.

Sustainable development within Sapir

generating social impact

Three examples of three dimensions of social impact development in Sapir:

- **PROMOTING THE WELFARE OF WEAKER AND MORE VULNERABLE POPULATIONS AMONG THE FACULTY MEMBERS.**
- **DEVELOPMENT OF KNOWLEDGE DOMAINS THAT PRODUCE SOCIAL MOBILITY.**
- **ESTABLISHMENT OF THE COLLEGE.**
