DBS mission, vision and values

Mission

>>To train **responsible** professionals, capable of **promoting** and **leading** sustainable business projects in a **global context**, towards a **more prosperous, fairer and more inclusive society**.

>>To contribute to the **creation of knowledge** in order to address the **main challenges** that society and organisations face, from an **interdisciplinary** perspective and in **collaboration with other stakeholders**.

Vision

>> To be an excellent Business School, recognised and chosen by young people, professionals, companies and public administrations in both national and international level, being a reference in humanist leadership for transformation, committed to society and aligned with the highest international standards.

Deusto Business School at a glance

Since 1916: more than 100 years delivering cutting edge, quality education

- It is part of the **University of Deusto** (founded by the Society of Jesus in 1886).
- The **University of Deusto** is a pioneer institution in training business leaders since 1916 at the Bilbao Campus (La Comercial) and since 1956 in San Sebastian (ESTE). In 2008, DBS Executive Education gave a fresh impetus to Executive and in-company programmes.
- Campuses in **Bilbao** and **San Sebastian** and in **Madrid**.
- **Bachelor's, Postgraduate, PhD degree programmes and Executive Education programmes.**
- Its distinguishing features are **values education, an international approach** and the support of its **alumni** network.

- Deusto Business School
- Social and Human Sciences
- Law
- Engineering
- Psychology and Education
- Theology

Our mission, vision and values

Values

Based on values inspired by the Jesuit tradition of the Society of Jesus

Professional excellence

Seek top quality in our work. Give the best of ourselves and strive to excel.

Openness and diversity

Being receptive to new, different ideas, etc. Welcome, respect, appreciate, dialogue, share and work with those who are different from us.

Integrity and Ethical Commitment

Be honest and honourable in our work and relationships with others. Act in a fair and responsible manner.

Innovation and Entrepreneurship

Approach reality in a critical manner, identifying the challenges and opportunities, being capable of putting forth solutions for problems that are yet unsolved.

Cooperation and Solidarity

Recognise the need and value of working with others to face up to common challenges. Reach beyond one's personal interests to work for the common good.
