

Kibbutzim College of Education, Technology and the Arts (KCE)

Kibbutzim College of Education, Technology and Arts

President: Prof. Zipi Libman

Rector: Prof. Yehudit Weinberger

- KCE was established in 1939, as the source of educational leadership for the kibbutz movement in Israel.
- Today, it is **Israel's largest college of education** with a student population of more than 6,000.
- There are **four faculties** : **Education, Humanity and social sciences, Science and Arts** – training more than **30 undergraduate programs** and **9 graduate programs** on a diverse range of educational subjects.

Kibbutzim College of Education, Technology and Arts

The College's philosophy combines a **democratic and progressive approach to education with the principles of a creative artistic experience, multicultural and intellectual worldview.** Didactic and pedagogical counseling by faculty members direct students toward critical thinking and prepares them to meet social changes in various educational settings

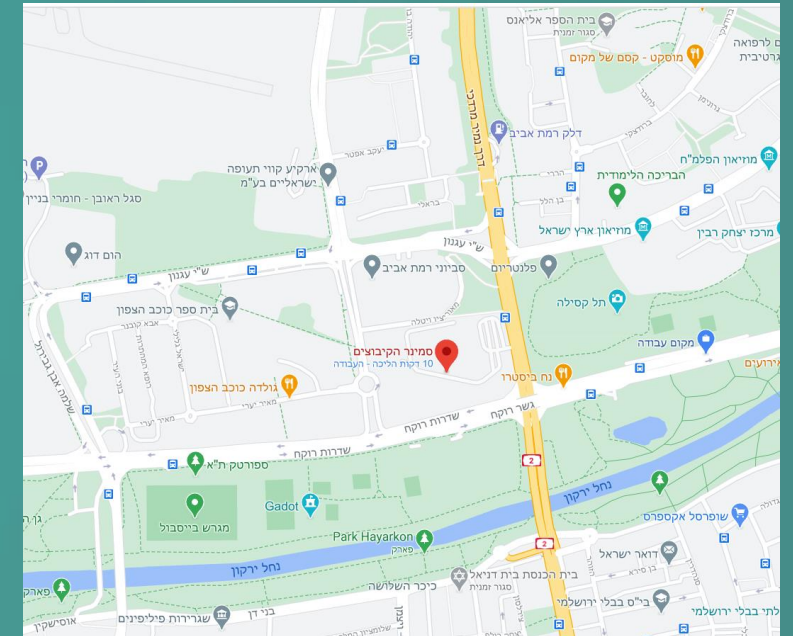

Kibbutzim College of Education, Technology and Arts

Location

Namir Road, 149, Tel Aviv

- "The "Nonstop city", "The City that Never Sleeps", "The Mediterranean Capital of Cool" - is the second most populous city in Israel, located on the country Mediterranean coastline.
- Tel Aviv is a pluralistic, liberal city, combining sandy Mediterranean beaches with a world-class nightlife, a buzzing cultural scene, incredible food, UNESCO recognized architecture, and an international outlook.

Kibbutzim College of Education, Technology and the Arts: SF

- In the year 2013 we established the **Social Enterprises & Education program**
- a unique and original program, the first of its kind in Israel, integrating **training for Social-Business Entrepreneurship and Business Management with teacher training for this field**
- The program addresses under graduates on there way to become business administration high-school teachers (Be.d)
- We teach our students the main BM courses based on **social economy** emphasizing **social impact** and **entrepreneurship**
- Moreover, our students and alumni, become **part of the formal and un-formal education system** and **teach young adults.**
