Name of Institution: Introduction

Vision:

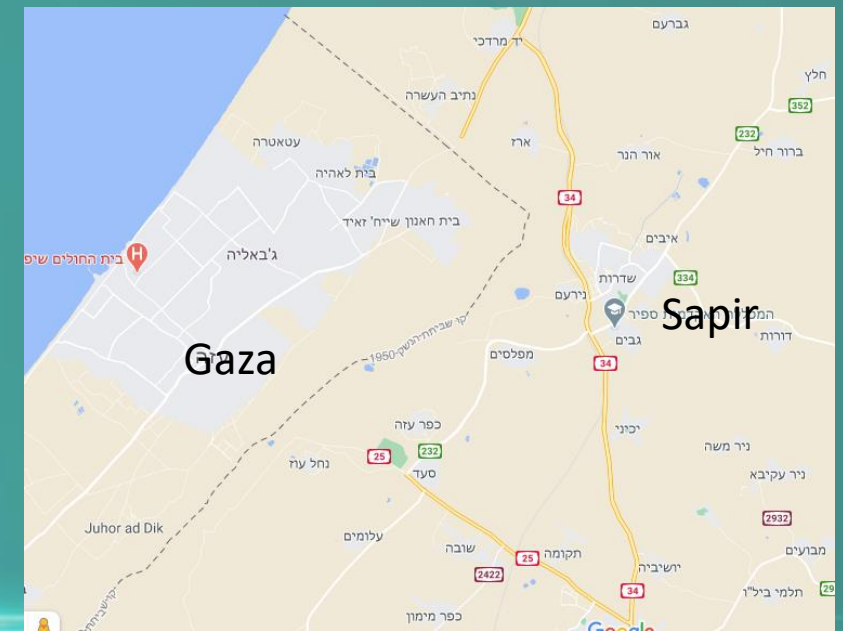

Sapir Academic College welcomes students, faculty and employees from diverse socioeconomic and geographical backgrounds and offers them a rich intellectual and social experience.

Sapir offers top quality academic education, celebrating innovation and excellence in teaching and research, and prepares graduates to assume leadership in all sectors of Israeli society.

Sapir is part of a geographical and social eco-system of the Western Negev, and acts as a significant cultural, financial, academic and technological hub in the area. Sapir is strongly committed to cultivating socially responsible leadership.
